ABOUT KÜLSAN...

An organization can only survive and succeed with the total involvement of its customers, employees, suppliers and managers in the continuous improvement process.

Having this philosophy, KÜLSAN A.S. was established by Hasan Kulahcioglu and other family shareholders in Istanbul in 1974.

Since then, the company has been successfully represented by its young and dynamic internal staff and customers both in Turkish market and in the global market.

First export was made to Dubai in 1987 and today, Külsan has become a well known trademark selling their products to more than fifty countries at 5 continents.

At the end of 2018, the factory has moved to its new place in Cerkezkoy-Tekirdag, a new plant of 12.500 sqm and has been continuing to serve both to HOME and HORECA markets with innovative products.
